CORONA Meeting - 10 Nov 1964

STAT DDS&T decided to send strong delegation (Maxey, [redacted] [redacted] who would not enter into political or bureaucratic arguments but confine observations and comments solely to technical matters. To agree or disagree and if the latter, to state they must refer the matter to their Hqs.

General Carter approved this approach 100%.

STAT ✓ [redacted] ran the meeting at ~~ARASE~~ SAFSP Englewood.

STAT [redacted] feels he has opnl control of CORONA (which [redacted] is trying to maintain via CIA and SOC)X. [redacted] was transferred to [redacted] staff. [redacted] plans to exercise that control until told otherwise. STAT
